PROCEEDINGS OF THE PREBID MEETING HELD ON 13.08.2025 AT 3.00 PM IN OFFICE OF CHIEF ENGINEER & CHIEF GENERAL MANAGER (Tech) BSWML FOR THE BIDS INVITED THROUGH NOTIFICATION NO: DGM-1/BSWML/TEND/07/2025-26 DATED: 24.07.2025.

OFFICER'S PRESENT:

1	Chief Engineer& Chief General Manager (Tech) BSWML		Sri Raghvendra Prasad
2	Deputy General Manager-1 BSWML		Sri. Chandrashekar A G
3	Assistant General Manager, BSWML		Sri. Santhosh Kaddi
4	Assistant Manager, BSWML		Sri. Neelesh Kumar

AGENCIES PRESENT:

1	Jagadish, Raasi
2	Sandeep, Raasi
3	ARV Environment Consult care ltd.
4	Darshan Krishna, Sadhana Enviro Engineering services.
5	Jagadheesha, Mech Smith India.
6	P. Sudheer, VP, M/s. Rasha Infra
7	P V Dilip Kumar, Om aparajithe SWM LLP
8	P Anand Vardhan Reddy, Om Sai Ventures
9	M Mahesh Reddy
10	K Sudhakar Reddy
11	Mahadev Bhat, TPS infra Ltd.
12	Sri. Balaji Enterprises

****

Chief Engineer& Chief General Manager (Tech) BSWML welcomed all the officials and the representatives of the agencies/ firms for below works for which pre-Bid meeting was called. Representatives of various companies as above were present in the said pre bid meeting.

The queries/clarifications sought by the agencies with regard to bids invited, were received in writing / e-mail & through KPP portal. The clarifications are issued according to the tenders invited as under: -

SUBJECT-1: "Design, Construction, Supply, Installation, Commissioning of Material Recovery Facility (MRF) having sorting, shredding, baling & storage

system for handling a minimum 200 TPD of Dry Waste at Doddabidarakallu Plant under BSWML jurisdiction"

Sl. No	Tender Doc Ref	Query Raised	Clarifications/Amendments issued
	1. M/s. ARV Environment Conservation Care Limited		
1	Clause 1 of 1. Financial Criteria in B. QUALIFICATION CRITERIA SECTION III EVALUATION AND QUALIFICATION CRITERIA in Page No. 31 The Bidder's consortium members combined average turnover for any two (2) years out of last Five (5) financial years (FY 2020-21 to 2024-25) preceding the bid due date shall not be less than Rs.5678.00 Lakhs Further, the Financial Turnover of the Previous Years shall be given a Weightage of 10% per year to bring them to the Price Level of 2024-2025.	Since the Estimate of the tender is 28.39 Crores. Kindly relax the Turnover to Estimated value. Kindly relax the criteria as -The Bidder's members combined average turnover for any two (2) years out of last Five (5) financial years (FY 2020-21 to 2024-25) preceding the bid due date shall not be less than Rs.2839.00 Lakhs. Further, the Financial Turnover of the Previous Years shall be given a Weightage of 10% per year to bring them to the Price Level of 2024-2025.	Tender Conditions prevail
2	Clause 2 of 1.Financial in Criteria QUALIFICATION CRITERIA SECTION III EVALUATION AND QUALIFICATION B. of CRITERIA in Page No. 32 In tender Document "Line of Credit of no less than Rs.852.00 Lakhs and In E Procurement Portal it is "Line of Credit of no less than Rs.2294.00 Lakhs	There are two different amount mentioned in different places. Kindly clarify which is the valid value.	Refer Addendum-1
3	Clause 2 of 2.1 of 2.Technical Criteria in B. QUALIFICATION CRITERIA of SECTION III - EVALUATION AND QUALIFICATION CRITERIA in Page No. 33 The Manufacturer/ Authorized supplier/ Dealer as a prime contractor should have satisfactorily supplied, delivered, tested and commissioned minimum of 1 Nos. similar type of MRF facilities to any Government departments/ ULB / PSU in India	Sir, in the given clause it is given as "in any two of the last 5 financial years." Please note that as per Government rule only in any one of the last 5 years can be asked. So, kindly relax the criteria as – The Manufacturer/Authorized supplier/ Dealer as a prime contractor should have satisfactorily supplied, delivered, tested and commissioned minimum of 1 Nos. similar type of MRF facilities of any capacity to any Government departments/ ULB in India in any one of the last 5 financial years (2020-21 to 2024 – 2025).	Tender Conditions prevail

Sl. No	Tender Doc Ref	Query Raised	Clarifications/Amendments issued
	in any two of the last 5 financial years (2020-21 to 2024 – 2025).		
04	Clause 3 of 2.1 of 2.Technical Criteria in B. QUALIFICATION CRITERIA of SECTION III - EVALUATION AND QUALIFICATION CRITERIA in Page No. 33 The Manufacturer/ Authorized supplier/ Dealer should have supplied, delivered, tested and commissioned similar type of Machineries to handle minimum combined plant of capacity of equal or more than 100 TPD of Dry Waste to any Government departments/ ULB / PSU in India in any two of the last 5 financial years (2020-21 to 2024 – 2025)	The Manufacturer/Authorized supplier/ Dealer should have supplied, delivered, tested and commissioned similar type of Machineries to handle minimum combined plant of capacity of equal or more than 200 TPD of MSW mix/dry/wet/MRF waste plant and Heavy Duty Bailing machine of 10 TPH capacity and heavy duty shredder machine to any Government departments/ ULB in India in any one of the last 5 financial years (2020-21 to 2024 – 2025)	Tender Conditions prevail
05	Declaration Declaration for Order / LOA Withdrawal regarding	Nowadays many orders are being cancelled after issuance of LOA for non submission of PBG and work orders are being cancelled or being retendered for not confirming to tender conditions. Hence, request to add this condition. As – Confirmed Orders / LOA's should not have been withdrawn/cancelled from the bidders due to any reasons where in the fault lies with the successful bidder in the last 5 years (2020-21 to 2024-25) by any Government department and during last 5 years (2020-21 to 2024-25). Submit Notarized self-declaration affidavit on Rs 100.00 stamp paper regarding same.	Tender Conditions prevail
06	Clause 2.3 B. QUALIFICATION CRITERIA of SECTION III - EVALUATION AND QUALIFICATION CRITERIA in Page No. 33 Even though the Tenderers meet	Sir, you have requested for Litigation history in SECTION IV - BIDDING FORMS, but at the same time you have mentioned that if any Bidder having Litigation history will be disqualified. Kindly give clarity on this.	Tender Conditions prevail

Sl. No	Tender Doc Ref	Query Raised	Clarifications/Amendments issued
	the above criteria, they are subject to be disqualified if they have: a) Made misleading or false representations in the forms, statements and attachments submitted in proof of the qualification requirements; and/or b) Record of poor performance such as abandoning the works, not properly completing the contract, inordinate delays in completion, litigation history, or financial failures etc.;		
07	Annexure 4, Format for Certificate of Experience Performance Certificate Format	As per the tender condition, Performance certificate will be uploaded signed not below the rank of Executive Engineer. Kindly accept the format given by the issuer Municipality.	Tender Conditions prevail
08	Clause 1 of 1.Financial Criteria in B. QUALIFICATION CRITERIA of SECTION III - EVALUATION AND QUALIFICATION CRITERIA in Page No. 31 Clause 1 of 1.Financial Criteria in B. QUALIFICATION CRITERIA of SECTION III - EVALUATION AND QUALIFICATION CRITERIA in Page No. 31	Dear Sir, please note that Audited Balance Sheet profit and loss will be available in the Month of November for Financial year 2024-25. Kindly accept Provisional Annual Reports.	Tender Conditions prevail
09	Clause 4.2.2 (c) of 4.Eligible Bidders of SECTION I: INSTRUCTIONS TO BIDDERS in Page No. 19 In case of Consortium, for similar nature of work the criteria shall be complied by cumulative the Members of the Consortium as specified at Section III.	Kindly elaborate this as this sentence this ambiguous.	Tender Conditions prevail
10	SECTION X Price BID The prices are inclusive of all taxes, transit charges and excluding GST	The Scope of Supply includes both Goods and Works categories. We usually quote including GST for Goods and only excluding GST for Works. Kindly clarify whether the Bidders has to	Tender Conditions prevail

SUBJECT-3: "Design, Construction, Supply, Installation, Commissioning of Material Recovery Facility (MRF) having sorting, shredding, baling & storage system for handling a minimum 826 TPD of Dry Waste at Tharahunise Plant under BSWML jurisdiction"

Sl. No	Tender Doc Ref	Query Raised	Clarifications/Amendments issued
	1. <u>Online Quries</u>		
1	RFP	The Invitation for Bids specifies an estimated project value of Rs28.39 Crores. However, in the subsequent section Sl. No. 5, it is stated that GST will be paid separately to the successful bidder. In contrast, the newspaper advertisement mentions Rs 28.30 Crores as being inclusive of GST. Please confirm	Refer Addendum-1

Sl. No	Tender Doc Ref	Query Raised	Clarifications/Amendments issued
		whether the Rs28.39 Crore figure is inclusive or exclusive of GST	
2	RFP Under the same notification, two 200 TPD tenders Packages 1 and 2 have identical specifications but differ in estimated cost rs28.39 Cr vs rs20.69 Cr a gap of rs 7.70 Cr without any technical or design changes. Similarly, the 826 TPD tender Package 3 requires 4 times the shed area and machinery of a 200 TPD unit. Based on Package 1s rate, the expected cost is rs113.56 Cr, but the tender estimate is rs76.44 Cr a shortfall of rs 37.12 Cr	We seek a clear explanation for these significant cost variations, the parameters used for estimation, and whether standard costing procedures were followed, to ensure fairness and transparency in the tender process.	Tender conditions prevail
3	RFP	The Scope of Bid notes that BBMP/BSWML will provide approximately 8,000 sqm (80,000 sq ft) of land for each MRF with a minimum processing capacity of 200 TPD per shift. The equipment specifications in the RFP, however, are designed for a total of 200 TPD capacity (not per shift). We request that this be amended to 200 TPD without the per shift reference to align with the machine specifications.	Tender conditions prevail

Sl. No	Tender Doc Ref	Query Raised	Clarifications/Amendments issued
4	RFP	The RFP mentions that, out of the total 11 acres, about 2.5 acres contain legacy waste currently being bio-mined under SBMU 2.0, and the reclaimed land is intended for MRF shed construction. Should this land prove unsuitable due to soil instability, we request that BSWML bear the cost of soil stabilization or alternatively provide an alternative plot suitable for construction	Tender conditions prevail
5	RFP	Under the Scope of Bid, an MRF facility is defined as including a structural shed using pre-engineered members. Yet, in the technical specification (Pg. 38, Sl. No. d), it is stated that the shed will use MS angular trusses of up to 10m span. Since PEB structures are standard in all DMA MRF projects (and in BBMP/BSWML plants), we request that the requirement be modified to PEB structure to maintain uniformity.	The Project is DBT, Tender conditions prevail
6	RFP	The principal components of the project include the provision of a DG set, Odour Control, Electrical Connections/Installations etc. In other DMA MRF tenders, DG sets, Odour Control, Electrical Connections/Installations are neither specified nor budgeted. We request that the DG set, Odour Control, Electrical Connections/Installations requirement be removed from the current tender.	Tender conditions prevail
7	RFP	Another principal component requires the contractor to maintain cleanliness at the MRF	Tender conditions prevail

Sl. No	Tender Doc Ref	Query Raised	Clarifications/Amendments issued
		and active working areas. This tender scope is limited to design, supply, installation, and commissioning there is no O&M component. We therefore request that this clause be removed.	
8	RFP	The tender states (Sl. No. n) that consortium composition cannot be altered post-submission. Recent BSWML tenders have allowed changes with prior written approval. We request that the same flexibility be incorporated here.	Tender conditions prevail
9	RFP	The principal components require the contractor to maintain cleanliness in the MRF and active work areas Since this contract is solely for design supply installation and commissioning without O and M we request removal of this obligation	Tender conditions prevail
10	RFP	Clause on consortium changes Sl No n prohibits altering consortium composition Other recent BSWML tenders allow changes with prior approval Please incorporate the same provision here	Tender conditions prevail
11	RFP	Under Eligible Goods and Services Sl No 5 the scope includes installation insurance and operator or helper training during the maintenance period Given that this tender does not include O and M we request that the maintenance related portion be deleted	Tender conditions prevail
12	RFP	Clause 13point1 specifies listing and pricing all items in the Schedule of Supply	Refer Addendum-1

Sl. No	Tender Doc Ref	Query Raised	Clarifications/Amendments issued
		individually but the financial bid format requires a lump sum quote Please clarify the intended approach	
13	RFP	On page 65 the tender mentions third party inspection by Government authorized quality inspection agencies for construction and commissioning Please confirm whether this refers strictly to Government authorized agencies or whether agencies nominated by BSWML will also be considered	Tender conditions prevail
14	RFP	The payment terms state that 5 percent of the capital cost is payable upon successful installation and commissioning, and another 5 percent after three months of successful operation Given that the successful bidder will already submit a 5 percent BG returned after one year we request revising the payment term to 10 percent upon successful installation and commissioning	Tender conditions prevail
15	RFP	Inconsistency in Structural Specifications for MRF Facility. Under the Scope of Bid the MRF facility is described as comprising a structural shed constructed using pre engineered building PEB members However in the Technical Specification section Pg 38 Sl No d the shed is specified to be built using MS angular trusses with a span of up to 10 metres. This presents a clear inconsistency in the tender requirements The use of PEB structures has been the standard design across all DMA MRF projects as well as in BBMP	Tender conditions prevail

Sl. No	Tender Doc Ref	Query Raised	Clarifications/Amendments issued
		and BSWML plants given their superior durability ease of assembly cost efficiency over the lifecycle and uniform engineering standards. We therefore request that the structural specification be revised to explicitly require PEB structures in alignment with established DMA and BBMP and BSWML norms Such a change would. Maintain uniformity and compatibility across projects Ensure proven structural quality and long-term performance Avoid deviations that could lead to operational or maintenance challenges and Ensure fairness by keeping the bidding parameters consistent with existing government MRF projects. This clarification and alignment in specification are essential to avoid ambiguity ensure technical consistency and uphold quality standards in public infrastructure projects.	
16	RFP	1In Invitation of bids, it is mentioned that the amount put into tender is Rs 28.39 Crores and in the next page, Sl no 5 it is mentioned that GST will be paid on the tendered amount separately to the successful bidder. Whereas in the paper publications in newspaper it is submitted that tendered amount is Rs 28.30 Crores including GST, Kindly confirm whether tendered amount of Rs 28.39 Crores is including or excluding GST.	Refer Addendum-1
17	RFP	2 In the Scope of Bid it is mentioned that BBMP and BSWML will provide land of approximately 8000 Sqm or 80000 Sq ft for	Tender conditions prevail

Sl. No	Tender Doc Ref	Query Raised	Clarifications/Amendments issued
		establishing or setting up each MRF of minimum handling capacity of 200 TPD per shift of operations, but the machineries are designed in the RFP for 200 TPD. So kindly change this to 200 TPD and not per shift.	
18	RFP	3 In the RFP it is mentioned that out of the total area of about 11 acre, there is legacy waste dumped area of about 2.5 acres. This legacy waste is being bio mined under SBMU 2.0. The land reclaimed after the bio mining is proposed to be used for MRF shed. In case this land is not suitable and requires soil stabilization for strengthening the ground strength then BSWML should bear the cost for the same and should provide the suitable land for construction of MRF facility."	Tender conditions prevail
19	RFP	4 In the Scope of Bid it is mentioned that a MRF Facility consists of civil work with construction of structural shed using pre engineering members whereas in page no 38 Technical Specification for Material Recovery Facility, Sl no d it is mentioned that fabricating, supplying and erecting MS angular truss of span up to 10m. In all other tenders in DMA for MRF the cost estimated is for PEB structure only and also all	The Project is DBT, Tender conditions prevail
20	RFP	MSW processing plants owned by BBMP and BSWML is of PEB structure only. So kindly change the same to PEB.	The Project is DBT, Tender conditions prevail

Sl. No	Tender Doc Ref	Query Raised	Clarifications/Amendments issued
21	RFP	5 In the principal components of the overall project it is mentioned that DG set should be provided whereas in all other tenders in DMA for MRF DG set is not specified nor estimation is considered for DG set in this tender. So kindly delete the same.	Tender conditions prevail
22	RFP	6 In the principal components of the overall project it is mentioned that the contractor will be responsible to maintain the cleanliness at the Material Recovery Facility and the working active area only. This tender is only for Design, supply, installation and Commissioning. There is no scope for O and M. So kindly delete this condition.	Tender conditions prevail
23	RFP	7 In Sl no n Change in consortium it is mentioned that the composition of the consortium should not be changed. But in all tenders invited recently by BSWML there is an option to change the composition of consortium provided it takes the required approval from BSWML. So kindly provide the same option in this tender also.	Tender conditions prevail
24	RFP	8In Sl No 5, Eligible Goods and services it is mentioned that related services includes services such as insurance, installation, training of operators or helpers and driver or helpers for maintenance period. This tender is only for Design, supply, installation and Commissioning. There is no scope for O and M. So kindly delete this condition.	Tender conditions prevail

Sl. No	Tender Doc Ref	Query Raised	Clarifications/Amendments issued
25	RFP	9In Sl No 13.1 it is mentioned that all items in the Schedule of Supply must be listed and priced separately in the Price Schedules whereas in the financial bid it is mentioned to quote lumpsum price. Kindly clarify.	Refer Addendum-1
26	RFP	10 In page no 65 it is mentioned that third party inspection by Govt. Authorized Quality inspection agencies will be carried out for construction of Material Recovery Facility along with erection and commissioning of machineries. Kindly clarify whether it is third party inspection by Govt. Authorized Quality inspection agencies or third party agencies nominated by BSWML.	Tender conditions prevail
27	RFP	11 In the RFP it is mentioned that on successful installation and commissioning of equipment the purchaser shall pay the successful bidder five percent of the capital cost and on successful operation of equipment complete in all respect of the MRF for 3 months the purchaser shall pay the successful bidder five percent of the capital cost. As already the successful bidder would have paid a BG for five percent at the time of issue of work order and the same would be returned to him after one year kindly change from five percent to ten percent on successful installation and commissioning of equipment.	Tender conditions prevail
28	RFP	Discrepancy in Estimated Costs Between Similar Packages. Under the same	The machinery specifications are

Sl. No	Tender Doc Ref	Query Raised	Clarifications/Amendments issued
		notification, three tenders have been invited two tenders for 200 TPD capacity each and one tender for 826 TPD capacity. Upon examination, it is observed that the machinery specifications and shed requirements for Package No 1 and Package No 2 both for 200 TPD are identical, with no changes in technical parameters, scope of work, or material requirements. However, there is a substantial variation in the cost estimates. Package No 1 Rs 28.39 Crores including GST Package No 2 Rs 20.69 Crores including GST. This results in a difference of Rs 7.70 Crores, despite both packages being of the same capacity, specifications, and requirements. Such a large discrepancy raises serious concerns about the basis of cost estimation and the methodology adopted in the tender preparation. We note the following on the face of the tender documents. Package No 1 200 TPD Estimated cost Rs 28.39 Crore inclusive of GST. Package No 3 826 TPD Estimated cost Rs 76.44 Crore inclusive of GST. The shed area required for Package No 3 is 24000 sqm, which is 4 times the shed area for a 200 TPD package. The machinery required is also specified as approximately 4 times the units required for a 200 TPD package. Simple proportional arithmetic based on Package No 1 gives. Expected cost for 4 x 200 TPD 4 x Rs 28.39 Cr Rs 113.56 Crore. Tender estimate for Package No 3 Rs	indicative of 100 TPD MRF. Tender conditions prevail.

Sl. No	Tender Doc Ref	Query Raised	Clarifications/Amendments issued
		76.44 Crore. Apparent shortfall or difference Rs 113.56 Cr minus Rs 76.44 Cr Rs 37.12 Crore. Such a large discrepancy Rs 37.12 Crore between the expected scaled estimate and the tender estimate for Package No 3 requires clear justification. We request a detailed clarification on the parameters or factors considered for estimating the cost of all the packages. The reason for such a significant variation when there are no apparent technical or design differences between the three works. Whether there has been any error, oversight, or deviation from standard cost estimation procedures. This clarification is critical to ensure transparency, fairness, and consistency in the tendering process, and to maintain the integrity of public procurement.	
29	Annexure 4 Performance Certificate Format	As per the tender condition, Performance certificate will be uploaded signed not below the rank of Executive Engineer. Kindly accept the format given by the issuer Municipality	Tender conditions prevail.
30	Declaration Declaration for Order / LOA Withdrawal regarding	Nowadays many orders are being cancelled after issuance of LOA for non-submission of PBG and work orders are being cancelled or being retendered for not confirming to tender conditions. Hence, request to add this condition.
